CIDREXPO, AN EVENT FOR THE ENTIRE INDUSTRY

WHY CIDREXPO?

February 13-14-15

France has made it for centuries and makes it more with a wine approach. Cidrexpo is going to be the crossroad of cider cultures.

Thought by producers for producers, it is a unique opportunity to showcase our products on the commercial and media scene.

The selected dates are strategic: From February 10th to 12th, in Paris will take place Vinexpo which welcomes nearly 40,000 professional visitors from all over the world. They are the priority target of our communication plan.
